SOCIAL SKILLS AND COMPETENCES

- Team work: I worked in various types of teams from project analysis in university teams to planning and control in the company
- Mediating skills: I work with and am responsible for employees with a broad age range. My work in obtaining contracts and meeting schedules require high mediating skills
- Intercultural skills: I have experience and contacts among a broad variety of cultural backgrounds. I was born and currently live in a multicultural environment, moreover, during my studies I worked with many different nationalities

TECHNICAL SKILLS AND COMPETENCES

- I have taught computer sciences to civilians for five months as a part of the Ministry of Defence program for computer operators during my military service. The program was recognised by the Ministry of Culture and Education. My teaching program was: computer basics, DOS operating system, DBase III, Windows 3.1 operating system, Microsoft Word 6.0, Microsoft Excel 5.0, and data archiving and protection.
- Active every-day Internet user, experienced in web building, design, HTML, networks, security and hardware
- Computer user from 1987.
